

100% American Made Cabinets

Timberline

U.S. Made-To-Order Collection

Why Choose Timberline

100% MADE IN USA CABINETS

Every single cabinet in this brochure is 100% made in the USA with sustainably sourced, engineered wood. That means you know you are getting a reliable product from a reliable source.

CUSTOM MADE DESIGNS

We know you want something a little unique just for you. We can adapt most of our cabinets to suit exactly what you need to bring some magic to your new bathroom.

MIX AND MATCH

You can mix and match your selections from our huge range of cabinet colors and handles. Personalize your vanity to create just the look you are after!

Add Value

We're locally grown, family owned and dedicated to putting quality first.

TIMBERLINE – A BATH FURNITURE MANUFACTURER

Since 2007, Timberline has designed and crafted made-to-order vanities to bring modern bathrooms to life. A bathroom is a sanctuary – a place for you to unwind, wash off the day and relax. So, it needs to be a space that is personal and special.

Originally based in regional New South Wales, Australia, the firm's expanding Armidale factory is home to state-of-the-art technology and highly skilled craftsmen – a jewel in the local business community.

Timberline has expanded into the American market by opening a manufacturing facility in Redwood Falls, a small town in southern Minnesota. We are a family-owned and family-run business that is passionate about hand crafting American-made bathroom vanities, mirrored cabinets and linen closets in a fast, easy-to-deal-with manner.

Talk to our sales team today to discover how the Timberline difference will help you come home to a space that feels truly personal.

Pricelist Guide

Here is a quick guide on how to use this pricelist. Still have questions? Give our helpful staff a call at +1 888 844 0102.

Colors

Our pricing structure is based on 2 levels of colors. Each SKU is priced at two levels, **Tier 1** and **Tier 2**.

Tier 1: Woodgrain Laminates

Tier 2: Wood Veneer, Solid Colors, and Painted Colors

Additional Cost Options

Options such as cabinet customizing, filler panels and lighting are shown on page 78-81.

Cabinet or Top Only Orders

Where available, prices are shown for vanity cabinet only. Vanity top only prices are on page 86.

Prices

All prices are Manufacturer's Suggested Retail Price (MSRP). Check with your preferred store for exact pricing in your area.

How our SKUs work

Our SKU's have been designed to contain a lot of information on each cabinet, for more information, go to page 52-53.

No Cost Options

Additional no cost options available are:

- **Left or Right-Hand:** Cabinets may be ordered with left or right-hand configuration. Please specify when ordering.
- **Number of Faucet Holes:** Quartz, Silksurface, and Laminate tops are available with 0, 1, or 3 (widespread, or centerset) faucet holes. Peak and Crest Mineral Composite tops are available with 1 or 3 faucet holes.
- **Colors and Hardware:** Choose any of the colors or handles shown at the back of the brochure based on the pricing tier you choose.
- **Two Tone Cabinets:** Change up the look of your cabinet by choosing different colors for the front and sides of your cabinet.

Freight/Shipping Costs

Shipping costs are per item/SKU and based on your location. Orders with 3 or more items will ship free. Please consult with your showroom or store for specific shipping costs.

Vera Vanity 36" VER-V-36-C-CRE-W-BL-OVI3N-1 | \$2,565. **Juniper Mirrored Cabinet** JUN-MC-36-W-BL | \$1,979. **Vale Linen Closet** VAL-LC-12-W-BL-PTO | \$2,665

NOTE: All prices are Manufacturer's Suggested Retail Price (MSRP). Prices may vary depending on location and are subject to change or correction without notification. All information is provided on a E&OE (errors and omissions excepted) basis. There is a lot of very useful information in this brochure and there is more than likely an error, big or small, somewhere. Images in this brochure are shown with accessories and other furniture not included in the price or supplied by Timberline.

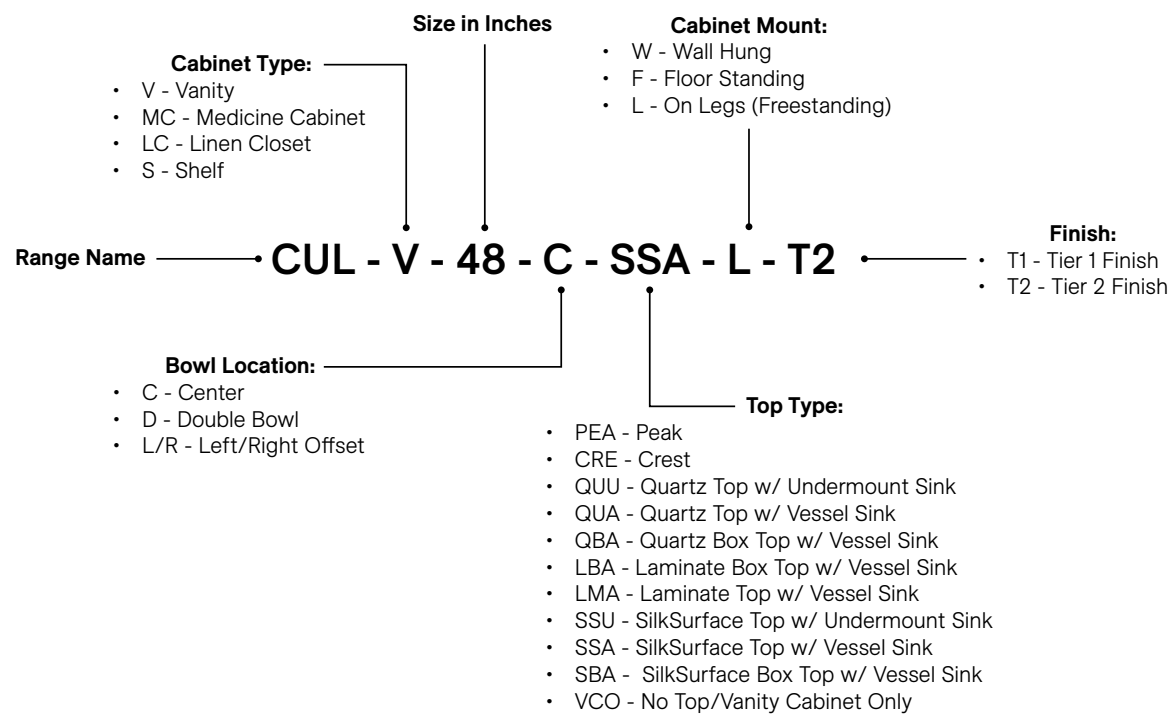

SKUs & How to Order

Here is a quick guide on how to order. There is 2 different ways to order, chose which ever method suits you better. Call us on 888-844-0102 with any questions on building a SKU, or on pricing.

Option 1 - Base SKU with Notes

Over the next pages, we provide SKUs with pricing. These SKUs reflect the cabinet, size, top, mount, and finish level. They do not include specifics such as color and hardware. You can order with these 'base' SKUs and add the rest of the information as a note in the PO.

Base SKU:

Example

To order with this method, Use the SKU in the pricelist page, and add notes to the PO with the following information. Not everything is required/applicable on every order, (e.g. if you are ordering a wall mount vanity, you obviously won't need leg style/color information, etc):

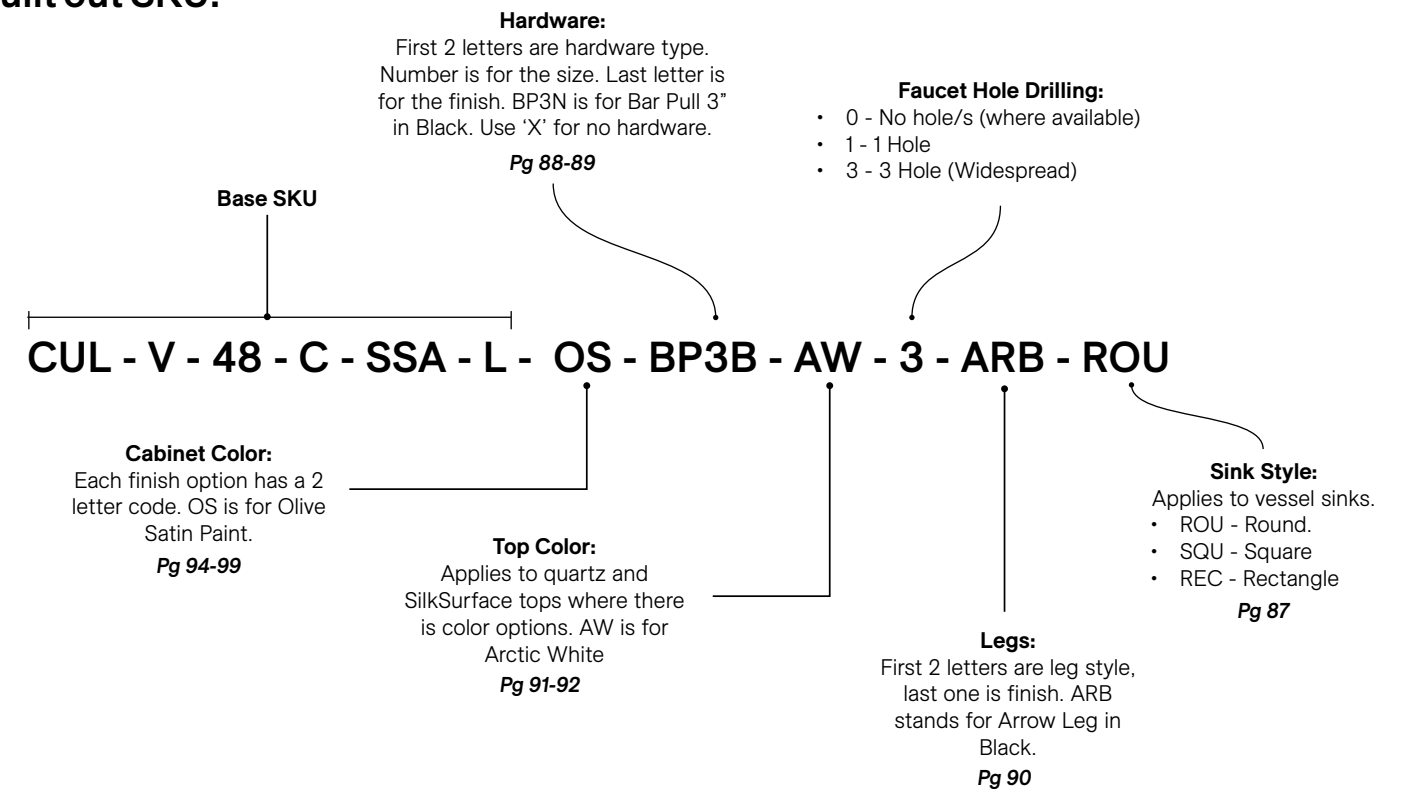

- Cabinet Color
- Top Color
- Hardware Style and Finish
- Faucet Hole Drilling
- Leg Style and Finish
- Sink Style (Vessel sink only)

If you want, you can use the order form on page 101 with this method as a way of getting down all the relevant information.

Option 2 - Fully built out SKUs

This option uses the base SKU, and adds all the information to it so you don't have to add notes to your PO. **Note:** all SKUs shown in this brochure under a product image are built out using this method.

Built out SKU:

Example

To order with this method, Use the SKU in the pricelist page, and add to it, to create one long SKU. All the codes for cabinet colors, hardware, top colors, and legs, can be found in **-bold italics-** under the color name (example below)

Note: not all additional sections will be necessary for every vanity, leave out any that don't apply. E.g. a wall hung Cullen with a Peak top wouldn't need the legs, sink style, or top color section and would look like CUL-V-48-C-PEA-W-WH-BP3B-3.

Codes can be found under the color name in the Cabinet Options Section (starts pg 82).

About Our Vanity Tops

What really is the difference between our various vanity top options? Which is better? See the pros and cons below.

Mineral Composite Vanity Tops

Mineral composite tops are heat formed to an exact mould and back filled with a heavy compound.

- ✓ Very straight and flat
- ✓ Durable and strong
- ✓ Cost effective
- ✓ Not susceptible to chipping
- ✓ 10 year warranty
- ✗ Susceptible to heat damage (e.g. Hair straightener)

Quartz Tops

Quartz tops ensure a strong, compact slab. Stain resistant, maintenance free, durable & food safe.

- ✓ Strong & durable material
- ✓ Stain resistant
- ✓ Full lifetime warranty
- ✓ Premium Quality
- ✓ Can order custom sizes
- ✗ Susceptible to chipping
- ✗ Surface variations to be expected due to quartz being made from natural materials

Laminate Tops

A stylish top that is available on the Finn and as a box top on the Tuscany, this sleek top completes the sophisticated look.

- ✓ Stylish and unique
- ✓ Durable laminate
- ✓ 5 year warranty
- ✓ Can order custom sizes
- ✗ Susceptible to heat damage (e.g. Hair straightener)
- ✗ Susceptible to chipping due to impact

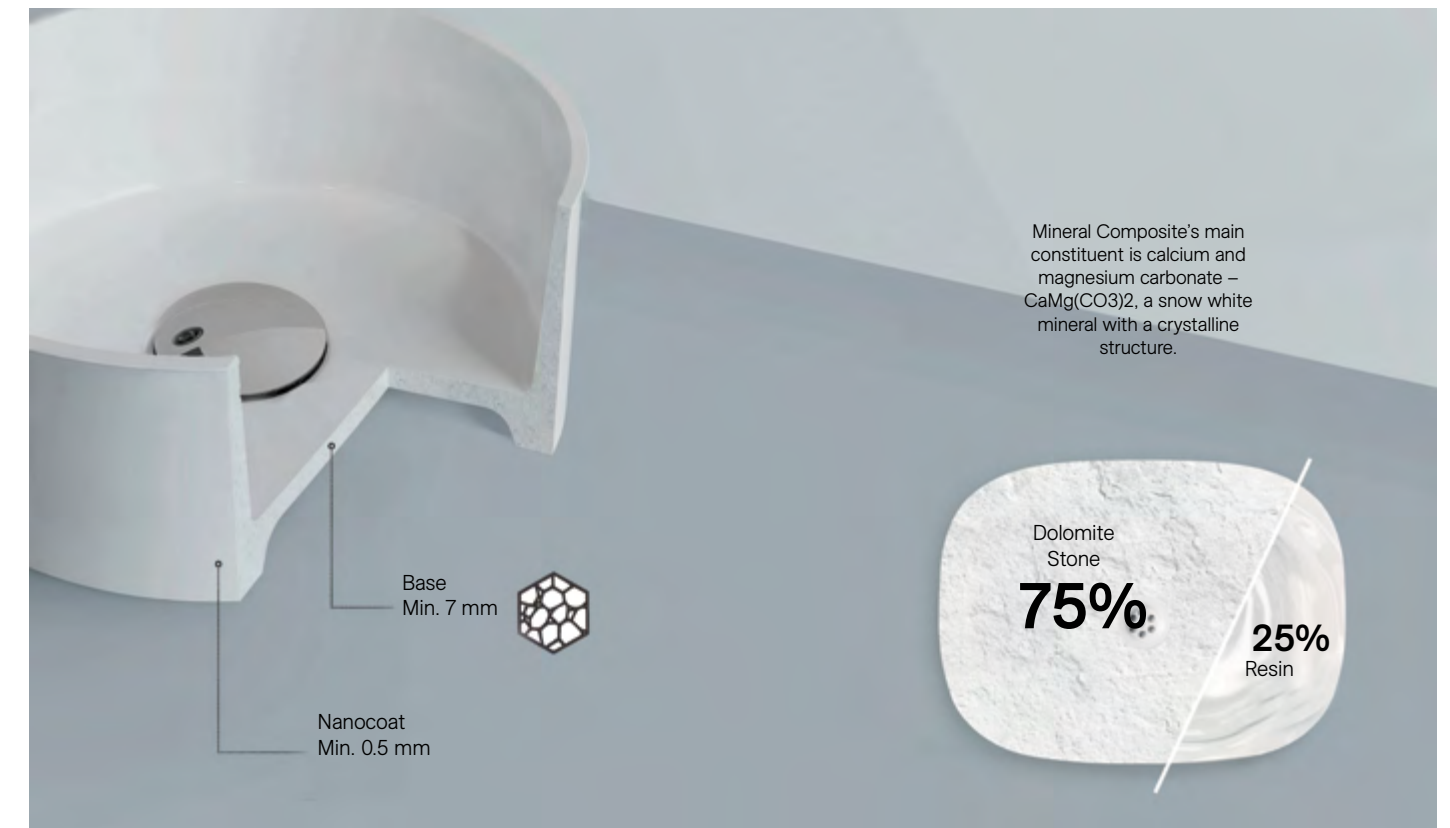

SilkSurface Tops

SilkSurface is a 2cm solid surface material. These solid surfaces have a beautiful blend of colors with a realistic stone appearance

- ✓ Non-porous, good stain resistance
- ✓ Very easy to repair if scratched
- ✓ Crack and chip resistant
- ✓ Can be drilled onsite easily
- ✓ 10 year warranty
- ✓ Can order custom sizes
- ✗ Susceptible to scratching

About Mineral Composite

Mineral Composite is a material that fully utilizes the extraordinary properties of dolomite. The combination of dolomite and elastic resin imparts unparalleled durability and impact-resistance to Mineral Composite. The external surface is covered with gel-coat. This type of coating is also applied to the surface of yacht hulls and wind turbine blades – places exposed to constant contact with the elements: wind and water.

Vanity Tops

Prices are for purchasing tops independently. Integrated one-piece tops, such as the Peak and Crest tops do not need an additional sink. If you are purchasing a Quartz or SilkSurface top only, sink/s are not included and will be need to be ordered as well.

Cambria Quartz Collection

Cambria is a 2cm thick quartz. Cambria is among the highest concentration of pure quartz to ensure strong, compact slabs. Stain resistant, maintenance free, durable & food safe.

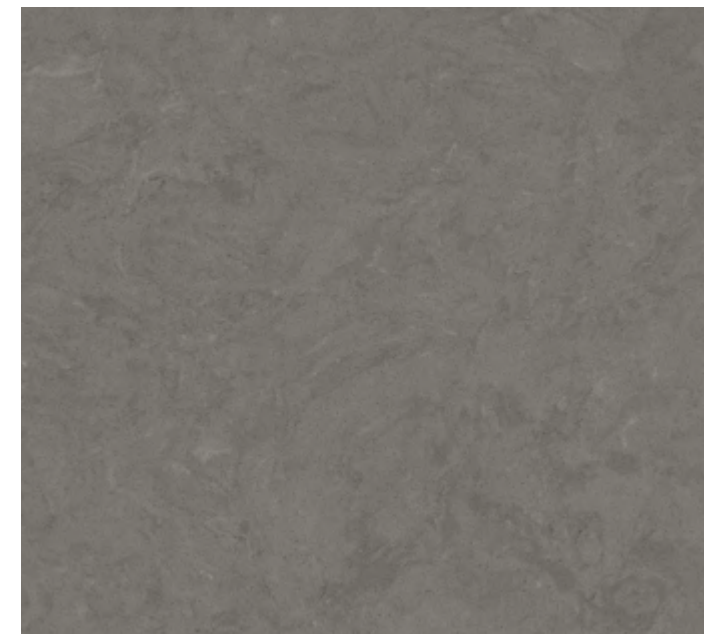

Whitehall™
-WL-

Torquay™
-TQ-

Colton™
-CN-

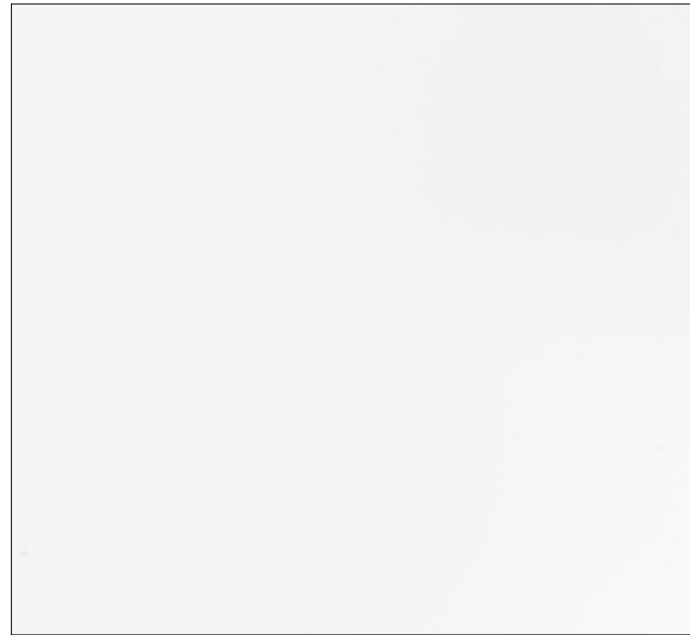

Carrick™
-CK-

Cambria may be substituted for equivalent colors if required. Cambria is made from natural quartz and therefore some variation on color and aggregate may occur. As each slab is individual, natural variation in graining and coloring is to be expected. While the colors in this brochure are to the highest standard in printing, it should only be used as an indication of actual product design. Please visit your local showroom to view larger samples.

SilkSurface Colors

SilkSurface™

SilkSurface is the right choice for enduring beauty. With a beautiful blend of colors and a realistic natural appearance, these high performance 2cm counter-tops are manufactured using a special multi-process technique making them resistant to stains, cracks and chips.

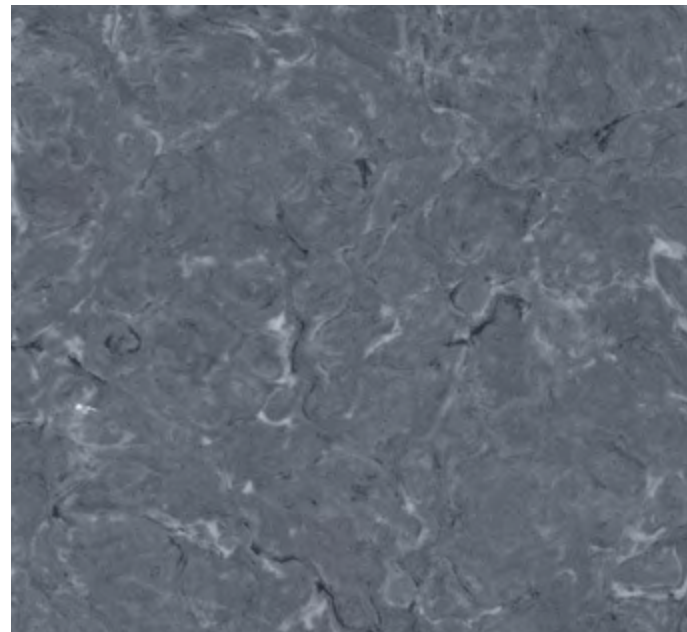

Arctic White
-AW-

Carrara
-CA-

Cobblonite
-CB-

Moonstone
-MS-

SilkSurface is man-made slab with an acrylic resin base. As each slab is individual, natural variation in graining and coloring is to be expected. While the colors in this brochure are to the highest standard in printing, it should only be used as an indication of actual product design. Please visit your local showroom to view larger samples.

Choose Your Vanity in Just 6 Steps

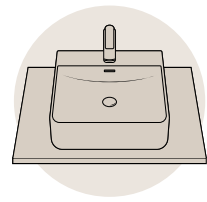

1. MEASURE YOUR SPACE

Do a simple sketch of your bathroom and add dimensions of walls, windows, doors, plumbing pipes, and electrical outlets to help visualize your space and how your new vanity will fit into it.

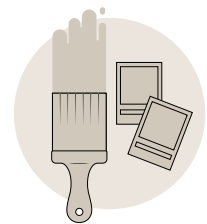

2. PICK A VANITY STYLE

Ask instore to get an idea of which vanity styles are right for you. Some vanities are better suited to large bathrooms, while others are tailor made for small spaces. Regardless of how big your bathroom is, Timberline has a huge range of wonderful options for you to choose from.

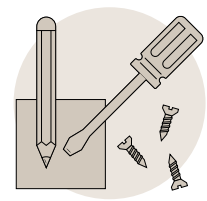

3. CHOOSE A TOP AND SINK

Your chosen vanity will open up a unique range of top and sink options. Check out the options on Page 78 to make sure you get just the look you are after.

4. COLORS AND HANDLES

You're getting close now! It's time to finish the look by choosing the perfect colors and handles for your new vanity.

5. CUSTOMIZE

Looking for a little extra something to make it truly yours? From under cabinet lighting to drawer upgrades, or outlets to increased cabinet height, we will custom make your vanity, just for you.

6. ORDER IN-STORE

Congratulations! All that's left to do is order your new bathroom vanity today via an authorized dealer!

Installation

INSTALLATION INSTRUCTIONS (CABINETS)

All installation works should be carried out by an experienced and qualified contractor or tradesman.

- All wall hung, floor standing and on legs vanities/linen closets must be mounted to the wall.
- Please check thoroughly prior to installation. See installation instructions.
- During the framing and rough in stages of construction ensure that there are sufficient fixings for the mounting of the vanity cabinet. There should be at least two vertical studs for fixing provided not more than 4" from each edge of the cabinet.
- Ensure that the wall is straight and plumb and free from any bow or twist otherwise the drawers and doors will be out of alignment.
- The solid back of the cabinet must not be damaged, removed, cut or drilled more than is necessary for the access of the plumbing pipes.
- During installation the cabinet should be fixed with screws through the solid back of the cabinet. The screws should be suited to the stud material and have a pan or counter sunk head. Provide a horizontal row of screws within 4" vertically from the top of the cabinet at a maximum of 12" horizontal spacing. The screws closest to the left and right edge of the cabinet should be within 4" of each side.
- Prior to fixing the top to the cabinet with silicone ensure that the cabinet is level and plumb in all directions. If not remove the cabinet and pack or straighten the wall accordingly.
- After installation use the adjusting screws of the hinges and drawer runners to align the doors and drawers.

Detailed instructions are included with the vanity. Timberline Bathroom Products makes every effort to supply our clients with outstanding quality products, we can in no way be held responsible for any damages arising from failure due to the method in which the vanity was installed or commissioned.

Refer to www.timberlinebp.com/resources/downloads/ for more detailed installation guides and warranty information, as well as specific install information on Tuscany vanity and Floating Shelves.

CARE INSTRUCTIONS

For all surfaces use only a soft cloth and a weak solution of a non-abrasive cleaner. Do not use any abrasive, acid or alkaline based cleaners. A moist microfiber cloth will give the best results. Avoid sharp objects and keep heat and hot objects away from tops. Cabinets should be installed at least 12" away from showers or bathtubs to avoid water damage. Care must be taken to immediately dry any condensation, spillage or water leakage that may gain access to the cabinet, as water damage is not covered under warranty.

To keep your bathroom furniture looking sparkling bright ask about our Timberline 3 Dimension Cleaners. They don't only clean, they leave a silky smooth polished finish.

Cleaner and Polish	SKU	MSRP
3 Dimension Cleaner and Polish	CLE-CLE-3D	\$31
Streak Free Glass Wax	WAX-CLE-GLASS	\$31

3 Dimension Cleaner & Polish suitable for nearly all bathroom surfaces

3 Dimension Streak Free Glass Wax and mirror polish for lasting shine

Warranty

Timberline Bathroom Products ensure that our products are manufactured using only high quality materials and workmanship. Should you find fault with either materials or workmanship within the warranty period noted below, Timberline Bathroom Products will, at its discretion, repair or supply a replacement for the faulty product or component.

WARRANTY PERIODS:

Vanities	10 years	Sinks	5 years
Linen Closets	10 years	Cambria Countertops	Full Lifetime
Mirrored Cabinets (excluding mirror)	10 years	Under Cabinet Lighting	1 year
Mirrors	1 year	Dolomite/Mineral Composite Tops	5 years
Commercial Use: ALL PRODUCTS	1 year	SilkSurface Tops	5 years

The Timberline Bathroom Products warranty will only apply where the product has been installed by qualified contractor and in full accordance with our installation instructions. This warranty does not cover damage by improper installation, accident, misuse, abuse, negligence, excessive wear and tear, improper care and lack of maintenance, heat damage, use of harsh abrasive cleaners, water and natural causes such as sunlight, humidity and other environmental conditions.

Adjustment of doors and drawers is undertaken during manufacture and readjustment will be necessary after installation – this does not form part of the warranty. Should a representative from Timberline be required to realign doors/drawers, a minimum call out fee of \$330.00 will be charged.

It should be noted that all cabinets are manufactured from water resistant materials. This does not mean that they are waterproof. Care must be taken to immediately dry any condensation, spillage or water leakage that may gain access to the cabinet as water damage is not a justifiable claim. Installation, cleaning and maintenance instructions must be followed to ensure validity of warranty.

Timberline Bathroom Products' liability is limited to repair, replacing, or giving a credit for the faulty goods and it does not

include installation expenses and/or damages or removal of any unit. The purchaser must provide proof of purchase when making a claim. The warranty will be void if a damaged or incorrect unit has been installed.

Our goods come with guarantees that cannot be excluded under the American Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

To make a claim please contact Timberline by phone on 888 844 0102 or sales.usa@timberlinebp.com

Please note that installation of any product is regarded as acceptance of that product and therefore no claims for faulty or damaged goods can be made after installation. Any claim for faulty or damaged goods must be made within 48 hours from receipt of product.

Register your warranty online at www.timberlinebp.com then click **Make a Warranty Claim**. We'll keep a record of your purchase to save you the hassle. That way you know we will always have your warranty information saved - just in case something goes wrong.

Packaging That Gets to You

There is nothing worse than the excitement of opening your new vanity only to find it has been damaged on the way. Not with our SUPER CRATES!

Every product we ship comes in its own ultra strong SUPER CRATE. And yes - they are strong enough to support a pickup!

Every vanity, linen closet and mirrored cabinet comes in its own SUPER CRATE! That's our way of making sure it gets to you!

THE ULTIMATE STRENGTH TEST

Having a great looking vanity is one thing. Having a vanity strong enough for your whole family is another!

We tested the strength of a 60" wall hung vanity installed using the bare minimum number of fixings to meet our installation instructions. Then we loaded it with 37 bags of cement totaling 1,600lbs. With our solid rear panel which is tongue and grooved into the cabinet the vanity supported this full weight. With Timberline, you can be assured you aren't just getting a pretty face! Our vanities are tough!

1,600 lbs! On a wall hung vanity!

What Makes Our Furniture Special?

Doweled Tongue And Groove Jointing

All our solid backs and bases are assembled with a tongue and groove joint with multiple doweled fix points. This creates exceptional strength and durability, particularly for wall mounted cabinets. The tongue and groove joint prevents the side from pulling away from the back when pressure is placed on the vanity top. The dowels ensure a clean, hardware free look.

Soft-Close Hinges

Only the best Blum European fully adjustable hinges are used. This allows them to be easily adjusted and offer a long life span. All hinges include built in soft-close mechanisms.

Solid Plywood Board

All our cabinet boxes are manufactured with a 18mm / 3/4" plywood core HPL white faced board. This makes for a light, yet highly durable cabinet, that wont swell or bubble with water damage.

Bracket Free Solid Vanity Back

At Timberline we always use a full 3/4" / 18mm solid back. This ensures the greatest stability for our vanities and makes mounting and installing a breeze. We never use a 1/8" paper lined MDF back.
